GUIDE

OVERVIEW

Partners are the face of our brand, and have always been a special part of what makes us unique. Clothing and accessories should reflect a style that brings the coffeehouse vibes. It should always allow freedom of movement to ensure safety and be appropriate for food services. Consistent with *Our Mission & Values*, we expect everyone to treat others with respect and dignity, free of bias and discrimination. All dress code items must not contain designs, images or verbiage that:

• Are obscene, profane, racist, sexual in nature or otherwise objectionable

• Are or advocate a political, religious or personal issue

DRESS CODE EXPECTATIONS

All partners are expected to follow the dress code guidelines while on shift. Partners who come to work in violation of dress code will not be permitted to start their shifts. Failure to adhere to the dress code may result in corrective action, including separation from employment. Partners should direct questions to the operations manager, who will decide what meets the dress code.

Exceptions to the dress code may be made to accommodate sincerely held religious beliefs, a disability, pregnancy or as otherwise required by law. Partners should contact Partner Relations at (888) SBUX411 (728–9411) or via the Partner Service Portal to request an accommodation. For facial covering standards, refer to the Food Safety Manual.
